ABOUT US

It is our deepest desire to serve the society by molding the students and Nursing leaders of tomorrow. To this end, we have endeavoured to create a world-class educational institution that is complete in every way. Be it facilities or faculty, curriculum or career guidance, we seek to offer the very best to our students. Education that is thorough, purposeful and meets the requirements of today's job market. Education that disciplines and inculcates values, education that is intune with the changing dynamics of today's competitive world that is the kind of education that **Bhagwangola Nursing Institute** offers. Please feel free to take a look around our campus. Soak in the spirit of learning that **Bhagwangola Nursing Institute** imbibes. Then take your career dreams to the next level with Bhagwangola Nursing Institute. We have our own 100 beded parent hospital with all modern facilities under Fajila Begum educational & welfare trust.

Bhagawangola Nursing Institute will start in the current session (2022) with permission of Govt. of West Bengal.

The Institution will follow INC recommended syllabus.

The Institution will follow all Rules & Regulations prescribed by INC, WBUHS & WBNC.

OUR AIMS & OBJECTIVES

In Pursuance of the said philosophy, the aims and objectives of the Institution are to empower young women that predominantly opt for nursing as a career as well as provide opportunities for the students to acquire and develop:

1. To provide opportunities to acquire a sound knowledge on basic & advanced nursing & midwifery practices on preventive, promotive & palliative, curative aspects of health.
2. To develop ability to plan & act independently as a qualified & skilled professional.
3. To empower young women who predominantly opt for nursing & midwifery as a career.
4. To develop skill in providing quality health care to the patients & healthy individual in hospital & community.
5. To develop positive attitude towards profession.

MISSION & VISION

We endeavour to promote knowledge, attitude, skills and habits in the students so as to enable them to carry out their duties and responsibilities as a competent professional nurse.

1. To impact high quality education.
2. To foster innovation in the professional growth.
3. To develop leadership skills and group dynamic among nursing students for holistic patient care.

FEATURES OF THE INSTITUTION

Most Important part to achieve our mission

"A good teacher can inspire hope, ignite the Imagination, and in fill a love of learning"

The most important part is the teaching faculty in a nursing programe. Our academic director & our principal are renowned & well know personality in West Bengal as well as in India.

They are our main pillars who will guide our other teachers & our students to build their carrier with great knowledge in this field. Their introduction is given very briefly.

We have a 100 beded well equipped parent hospital with all modern facilities to provide clinical exposure to students. It is our deepest desire to establish a world-class nursing institute in every aspect and to serve the society as a whole. other than our hospital our students will be placed in government medical College & hospitals, community centre for their clinical experience.
